Dear Ms. Malek:

Thank you for your letter of July 29, 2010, presenting your association's views on the negotiations between Canada and the European Union on the Comprehensive Economic and Trade Agreement (CETA).

As you know, Saskatchewan's economy is highly dependent upon trade. Our provincial government has been very transparent about our commitment to increasing trade and investment. One of our key goals is to generate prosperity for our citizens, businesses and communities by opening markets through international trade negotiations.

Thank you for your letter.

Sincerely,

Brad Wall  
Premier

cc Honourable Jeremy Harrison  
Minister Responsible for Trade
